

April 2019 Muskie Inc. Newsletter

The monthly meeting of the Between The Lakes Chapter of Muskies Inc. will be Thursday April 11th at Bummys Haus in Howards Grove. The meeting will start early at 6:00 because we have a speaker. He is Bob Kimball, Bob also has the Trucker Lure Company. He guides Vilas & Forest counties. I was just looking at his face book page & they look like a good bait for Random. The ice went out on Random April 2nd.

Monday the 8th is setup for the banquet starting at 5:00 or sooner. Hoping for a big turnout & it will go fast. Tuesday April 9th is the banquet. Workers will be eating around 4:00 & the doors open at 5:00. If anyone needs a last minute ticket call Lori Place at 920-459-8575. Don't forget to bring your can goods for the food pantry.

Thursday night Rob Wischki with the Sheboygan walleye club went out on Random with a couple of boats looking for spawning walleyes. They were asked to do this by the fish biologist. They went out around 7:00pm Rob reported seeing 24 walleye 15" to 25"s. They also saw 2 muskies over 36"s. The water was 41 degrees on the south end & 42.7 on the north end. Most of the fish were on the east shore. They are going to do this again in a couple of days.

The SCCA banquet is May 9th & we are giving a Muskie Package away. We need a couple of workers to man the table. It comes with free dinner tickets. Let Ted Scharl know if you would like to go.

At our May meeting Addie Dutton our local fish biologist will be at our meeting with her final reports from last year's netting surveys.

Fishing license's expired as of April 1st so be sure to get your new one. Hope to see you all at the banquet.
