Damian Nevers will be stepping down as president due to work & family obligations. He has done a great job the last couple years & we all thank him for that. We will need someone to step up for president.

We had the 1st banquet meeting & we are on our way. A number of door prizes were bought on Black Friday. We will need more. Please try to come up with some if you can. The next committee meeting will be Jan. 6th at Cris & Sues starting at 6:00pm. The banquet date is set for April 14th.

The reservations for Turning Leaf kids fishing weekend are made at Wild Eagle Lodge in Eagle River for Oct. 16th to 18th.

There have been some guys still fishing & fish are being caught. Today Justin Burmesch broke ice to get out. He found a small area to fish & got a 27" northern.

Ted was out on Elkhart Friday & shared some statistics. Water temps in the past were on 11/21/13 - 43 degrees, on 11/22/15 were 46.7, on 11/21/16 were 48.3, on 12/03/17 43.4 & on 11/29/19 it was 40.2. Ted says with a drop of 3 degrees from the median & 4 degrees from the mean, it signals the change in weather is to colder. Congratulations global warming is turned around.

Hope to see you all at the Christmas party.
