

Oct. 2019 Muskies Inc. Newsletter

The monthly meeting of the Between The Lakes Chapter 20 will be Thursday Oct. 10th at Bummy's Haus in Howards Grove. The meeting will start at 6:30.

For the first time in 18 years, the veteran's outing was cancelled due to some really bad weather. Almost 3" of rain & lightning. We thank everybody who put lots of work in it. We thank Jody for all his hard work along with everyone else who made food. I know I am getting sick of eating about 10 lbs. of chuck wagon beans. I did give some to a couple neighbors. Carol Scharl fed her neighborhood with her bars. The meat donated by Martin Automotive will be used for the kids fishing outing next week.

The kids fishing outing will be next Saturday organized by Eric Kammerer. Hopefully the weather will hold. It should be a good sucker bite. Yesterday on Random Lake the water was 58, lots of boats out today, & everybody is dragging suckers.

On Oct 19th the Casting for Hope tournament will be on Random. This is a fun tournament & you can use suckers. For more info there website is castingforhope.com . I am fishing it & a few others from our club do also.

A number of our members were up fishing the Beaver Resort annual Muskie tournament. Justin & Eric fished together with Justin winning it. It looks like he had 2 nice fish & Eric had a 42"er. I will try to send a couple of pictures.

Be sure to get all your fish catches registered before the Christmas party. Each fish is an extra raffle ticket.

At the November meeting we will have a lure swap meet. There should be some good fish reports at the meeting. See you there,

Mike
