

Sept. 2019 Muskie Inc. Newsletter

The monthly meeting of Between the Lakes Chapter 20 will be Wednesday Sept. 18th at Bummy's Haus in Howards Grove. The meeting will start at 6:30. This is a one time move. The Oct. meeting will be back to the second Thur. of the month.

The Veterans outing is pretty well all set to go on Sunday the 22nd. Jody has 12 vets & 12 guides lined up. I have asked the village for launch passes & will know in a couple of days if we get them.

Eric Kammerer has 10 kids lined up for the youth outing along with 9 guides. He is looking for a couple people who could get lunch ready for them. The date is Sat. Oct. 12th.

Terry's Bait Bucket now has suckers in for Musky fishing. His number is 920-838-0850. I was out Tuesday & the water temp was in the middle sixties & dropping every day.

The Musky Alliance is pushing for people to get the Personalized license plates. They need at least 500 sold by a certain time to keep it going. Plus I think they look pretty neat for the price of one musky lure.

Remember to register you fish with Muskies Inc. Each reg. is an extra raffle ticket at the Christmas party.

Come Wed. night to hear about the recent catches. Last month there was about 30 of them, mostly from Lake St. Clair.

Mike Scholler
